

Convergence Coaching, LLC Distance Learning

At ConvergenceCoaching, we understand the need for soft skills development to compliment the technical training you provide your people. Now partners, managers, staff, and administrators can all benefit from our **relevant, practical** online courses on **leadership and personal development** by using our new self-study distance learning program.

For a special introductory price of only **\$39* per CPE credit hour**, you can take advantage of the following **any time, anywhere** self-study courses without having to leave town – or even the office – and without having to coordinate multiple schedules with colleagues:

- ⦿ Enhancing Your Networking and Social Media Skills
- ⦿ Managing Difficult Conversations Successfully
- ⦿ Mastering the Art of Time Management
- ⦿ Maximizing Your Professional Image
- ⦿ And more coming soon!

“The ConvergenceCoaching distance learning courses are ideal for building soft skills – especially when you can’t afford to send team members to a conference or want new employees to gain skills the rest of the team has already received.”

Alan Hawrylak Managing Partner
Hartman Leito & Bolt, LLP

As consultants and coaches to the CPA and technology professions and experienced trainers, we have **real-life experience** and offer concrete, applicable **ideas, tools, and templates** in our courses that you can easily implement in your practice or business. Our online training offers an important additional option for firms that want a distance option to augment their on-site or conference training programs or those that cannot afford to host in-house training programs.

Other benefits of our self-study distance learning courses include:

- ⦿ Lower-cost, high-quality CPE available at any time, from anywhere without incurring travel expenses
- ⦿ Leadership development and other soft skills training for lower levels in your firm who might not otherwise receive it
- ⦿ The ability for managers and partners to take courses their staff are taking so learning can be reinforced
- ⦿ Retention and motivation of existing team members and a recruiting strategy for prospective employees
- ⦿ Allows new team members or those who missed certain training topics held on-site at your firm to “catch up” with the rest of the team
